

MOVE ESCP gets wider

Six new clusters have joined the MOVE European Strategic Cluster Partnership, contributing to the development of the trans-sectoral internationalization strategy of the MOVE project. **Lombardy Mobility Cluster** (IT), **ITLOG** (D), **Green Freight Transport Cluster** (BG), **N-S Logistics & Transport Cluster** (PL), **Electric Vehicle Industrial Cluster** (BG) and **MACES cluster** (MK) will officially sign the MOVE ESCP Agreement in the frame of the IV MOVE project meeting in Sofia, next 6th March.

MOVE project at Pollutec 2016

MOVE partners participated in **Pollutec 2016**, important European fair on clean technologies. Envipark, in representation of the consortium, took part in the **EU-Brazil Cluster and Business matchmaking** and in the **Green Days meetings**, presenting MOVE project to 15 relevant European and Brazilian clusters and organizations. Brazil is one of the target countries identified in the project.

European Cluster Conference 2016

MOVE project partners were present at the **European Cluster Conference 2016** and **European cluster matchmaking event**. During the networking event MOVE project was presented to the clusters and several new clusters were identified to be invited to join MOVE ESCP. 33 new clusters were met by the project partners.

E-learning courses

MOVE-ESCP proposes an **online training service**. This activity is focused on the identification and development of specific training and coaching opportunities for SMEs.

The e-learning courses are structured in **four main blocks**, namely: Internationalization, Search for funds, Company management and Intellectual property rights. Completing a final test, participants have the possibility to get certified.
