MOVE at MOBIGOIN final event

Envipark presented the MOVE project at the final event of the Mobigo'in' project, on the 24th May in Turin. The networking event, organized by Torino Wireless cluste, represented the opportunity to meet the other clusters of Mobigo'in project and a group of SMEs in ICT sector potentially interested to cooperate and look for new business opportunities.

E-learning courses

MOVE-ESCP proposes an **online training service**. This activity is focused on the identification and development of specific training and coaching opportunities for SMEs.

The e-learning courses are structured in **four main blocks**, namely: Internationalization, Search for funds, Company management and Intellectual property rights.

Completing a final test, participants have the possibility to get certified.
